Drugs exempted from price control

1730. SHRI RAJNI RANJAN SAHU: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) what are the names of the drugs which have been exempted so far from price control under DPCO, 1987, on the grounds of R&D.

(b) when was the exemption granted in case of each bulk drug, formulations and when does this exemption expire in each case;

(c) what were the names of the companies involved and on what basis was the exemption granted; and

(d) what was the investment in R&D made by each of these companies.

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) to (c) In accordance with para 28 of Drugs (Price Control) Order, 1987 the Government was empowered to exempt any bulk drug manufacturing Unit, from price control for a specified period not exceeding five years, if such bulk drug is being produced by a unit from the basic stage, by a process of manufacture developed through its own research and development effort. The process so developed should be significantly different from the know/available technology in the country leading to import substitution|cost reduction. The details of exemption granted is given in the enclosed statement. (*See* below).

(d) To the extent information is available, an amount of Rs. 2451.00 lakhs was spent by these companies in 1992-93 on Research and Development.

Statement

The details of the drugs which have been exempted from price control under DPCO
